

MEMBERS SCHOOL

11 FEBRUARY 2017

As a MFFC club member you are invited to participate in our Members Fly Fishing School. For years this club has hosted successful member schools and our plan is to continue with this tradition. You must be a dues paying member to attend. We offer clinics and instruction for Beginner and Advanced Fly Fishers.

Our school is an all day event from 9 AM to 4 PM. We provide coffee, donuts, etc. in the morning and registration begins promptly at 8:45 AM. At 12 noon we break for lunch where we provide the students, instructors & volunteers with a scrumptious menu. All of this is FREE, as it is included in your \$35 club dues.
