

Michigan Fly Fishing Club

2026 Request for Education and Conservation Grants

The Michigan Fly Fishing Club (MFFC) will be accepting member-sponsored requests for Education and Conservation Grants from January 1, 2026 thru March 7, 2026 at 6:00pm. We will make our funding decisions and distribute funds in late April 2026.

We are required to send a completed IRS form 1099 to anyone who receives a Club grant of \$600 or more. To provide us with the necessary information for the 1099 you must provide page 1 of a completed IRS form W-9 with your request. The W-9, and instructions, can be downloaded from the IRS web site by www.irs.gov/pub/irs-pdf/fw9.pdf.

Completed Education and Conservation Grant forms, and an accompanying IRS Form W-9, need to be submitted to the MFFC by a sponsoring MFFC member. The forms can be delivered to a MFFC Board Member, emailed to president@mffc.org, or mailed to the following address.

Michigan Fly Fishing Club
Education and Conservation Grants
PO Box 530861
Livonia, MI 48153

The MFFC sponsor(s) or a representative from the requesting organization may be required to give a short presentation to the Conservation Committee or Club membership regarding this conservation project.

If you have questions or need additional information, please contact the MFFC President at president@mffc.org

Please note that the completed Grant form must be received by 6:00pm on 3/7/26.
