

1981 McKENZIE CUP WINNERS

December 23, 2022

Dear Director Eichinger:

The Red Cedar Fly Fishers is a Charter Club of Fly Fishers International. We are dedicated to Conservation, Education, and Community in our volunteer efforts. The proposed Camp Grayling Expansion is very concerning to us.

After reading the details of this proposal our Board of Directors has passed a motion on 12/18/22 to formally oppose any expansion of Camp Grayling. The rivers and natural areas in the proposed area deserve protection from this kind of expansion.

Sincerely,

A handwritten signature in black ink that reads 'Mark Johnson'.
