

Michigan Fly Fishing Club

Request for Education And Conservation Grants

The Michigan Fly Fishing Club will be accepting requests for Education and Conservation grants from January 01 thru March 10, 2024. We will make our funding decisions and distribute our grants in April 2024.

We are required to send a completed IRS form 1099 to anyone who receives a Club grant of \$600 or more. To provide us with the necessary information for the 1099 you must provide a completed IRS form W-9 with your request. The W-9, and instructions, can be downloaded from the IRS web site by www.irs.gov/pub/irs-pdf/fw9.pdf. You only need to supply us with a completed page 1.

Requests for Education and Conservation grants may be submitted to the Committee through the MFFC sponsor or they may be mailed or emailed directly to the Conservation Committee chairperson, Kevin Lipp at:

Chairman, MFFC Conservation Committee
376 West Ann Arbor Trail
Plymouth, MI 48170

kjlipp@gmail.com

The requestor may be asked to provide a presentation to outline how the funds were used and describe the progress of the project.

If you have questions or need additional information, please contact Kevin at 734.837.1100 or at kjlipp@gmail.com

Michigan Fly Fishing Club

Request for Education And Conservation Grants

The deadline for submission of the Request for Conservation Funds is March 10, 2024 at 4:00pm.

The MFFC sponsor(s) or a representative from the requesting organization may be required to give a short presentation to the Conservation Committee regarding this conservation project.
