Stupid Simple "Pheasant Tail"

Thread - Uni 8/0 wine, black or dk brown

Hook - Fulling Mill Jig Force (FM5045) 12-18

Weight System - 5-8 wraps .015 lead free wire (on size 16 and 18 .010 is a good option)

Tail - Medium Pardo Coq De Leon

Body - Semperfli Gel Core Micro Fritz (Root Beer)

Thorax - Hareline Peacock Ice Dub or Fulling Mill Tactical Microflash Peacock Dub Bead -

Tungsten slotted gold bead 2.4mm (sz. 18), 2.8mm-3.3mm (sz. 16), 3.3-3.8mm (sz. 14),
3.3mm-3.8mm (sz. 12)

Hare-E Blow Torch

Thread - Uni 8/0 dk brown, wine or fl. orange (fl. orange if you want a double hot spot)

Hook - Fulling Mill Jig Force (FM5045) 12-16

Weight System - 5-8 wraps .015 lead free wire (on size 16 .010 is a good option)

Tail - Glo Brite Thread (#5, #7, #12 or #2)

Rib - Copper Ultra Wire (Small 16, Brassie 12 and 14)

Body - Hares ear dubbing

Collar - Natural or Light Dun CDC

"Hot" Spot - Hareline Peacock Ice Dub or Fulling Mill Tactical Microflash Peacock Dub

Bead - Tungsten slotted silver bead 2.8mm (sz. 16), 3.3-3.8mm (sz. 14), 3.8mm (sz. 12)

Tungsten Taco Egg

Thread - 8/0 uni fl. orange or red

Hook - Fulling Mill Czech Nymph (FM 5065) 16

Body - Egg Chenille (colors I like: chartreuse, peach, bubblegum, orange, yellow)

Bead - Painted tungsten slotted bead in orange (2.8 or 3.3mm bead)

*There are many manufacturers of egg chenille, some have UV integrated into the material. All that I have used are pretty much the same. Whatever brand the local shop has will work.
