

Photo/Video Release

Photos and videos are used to promote and advertise Fly Fishers International (FFI), its programs, and groups. Photos may appear in various FFI publications, including the Flyfisher magazine, electronic news publications, brochures, and promotional pieces. We may use the photos and/or video on our social media pages, including Facebook, YouTube, and Twitter. We may also use the media on websites belonging to FFI, its Councils and Clubs as well as. No pictures or video will be sold.

By affixing your signature below, you are giving permission to Fly Fishers International to use the photos or videos as described above. In doing so, you fully release, hold harmless, and forever discharge the Fly Fishers International, all its employees, officers and volunteers, acting officially or otherwise, from any and all claims, demands, actions or causes of actions from the use of the photo or video.

Please describe photo or video including a brief description and any identifying marks or numbers that are being given, i.e. YouTube video number and title of said video or unique feature in a photograph.
